THE SCHOOL

Üsküdar American Academy, established in 1876, is one of Turkey's oldest, preeminent preparatory schools. At every level, the school's program is intensely academic with a commitment to bilingual education. Üsküdar American Academy is known for outstanding student achievement, a broad program of co-curricular activities, and a blend of Turkish and American cultural values.

Accreditation: Council of International Schools and the Turkish Ministry of Education.

Memberships: CIS, NACAC, IACAC, NHS, NEHS, IBO
Üsküdar American Academy has been an authorized IB DP World School since 2016.

THE STUDENTS

- 910 Students attend grades Prep-12
- 25% receive scholarships to attend
- 177 in the 2024 graduating class
- 100% of graduates attend four-year universities
- 65% of graduates are attending university abroad in the 2022-2023 school year

Students are admitted to Üsküdar American Academy on the basis of a highly competitive national high school entry examination taken by over 1 million students. UAA enrolls students who have scored within the top 1% of this exam. International standardized testing results attest to the academic caliber of the student body.

FACULTY

- The faculty consists of 117 full-time teachers and 4 part-time teachers
- They have an average of 17 years of experience
- 71 hold master's degrees and 9 hold doctorates
- 94 are Turkish, 7 Americans, 4 Canadians, 6 British, 1 French, 1 German, 2 Spanish, 1 Belgian and 1 Colombian

Covid-19 INFORMATION:

2020-2021: As per the Turkish Ministry of Education regulations, education continued 100% virtually. UAA faculty continued to teach new and rigorous material and evaluate students' progress through innovative virtual learning assessment tools.

2021-2022: All Turkish secondary education institutions went back to face-to-face education.

THE CURRICULUM CLASS OF 2024

Our students follow a FIVE YEAR high school program. They receive the “Anadolu Lise Diploma”.

Prep Year: (Online due to pandemic) All students enter a preparatory year. When students of the Class of 2024 started their study at UAA, they took 21 hours per week of English, 2 hours each of math and science (both taught in English) , 4 hours of a second foreign language, 4 hours of Turkish, 2 hours of Physical Education, 2 hours of Art and Music, 2 hours of IT and 1 hour of Guidance.

Grades 9 and 10: (Grade 9 Online due to pandemic) Students in Grade 9 and students following solely the Ministry of Education Diploma Program in Grade 10 follow a common curriculum with two electives each year. The aim of these two years of study is to give them a broad background in all academic areas. It is mandatory for every student to take the three core sciences - biology, physics, and chemistry and a second foreign language of French, German or Spanish. IBDP students start the IB curriculum in Grade 10. During their Grade 10 year the IBDP students also take additional science and second foreign language courses outside of the diploma program. Please see the IB section for detailed information.

Grades 11 and 12: Students following solely the Ministry of Education Diploma Program in Grades 11 and 12 choose electives to supplement the Common Core requirements. Students choose from a selection of Honors, AP and Advanced courses. All Advanced courses as well as Honors American Literature, Honors World Literature, Honors World History and Honors Contemporary World History taught in Grades 11 and 12 are equivalent to the rigor of AP courses. IBDP students fulfill the Common Core requirements through their selected HL/SL classes and some further courses. Please see the IB section for course information.

All Science and Math courses are taught in English.

For the Class of 2024 the weekly hours per course for Common Core classes and electives are:

GRADE 9

Common Core:

English - 5
Algebra II and Geometry - 6
Turkish Language and Literature - 5
Second Foreign Language - 4
Biology - 2
Chemistry - 2
Physics - 2
History - 2
Geography - 2
Physical Education - 2
Religion and Ethics - 2
Health and Traffic Education - 1
Guidance - 1

► Electives:

Arts Elective (pick one):

Visual Arts-2
Music-2
Music Production - 2
Computer Science and Design - 2
Coding and Game Design - 2
English Drama - 2
Dance - 2

English Elective (pick one)

Creative Writing - 2
Journalism - 2
Language Strategies for Success - 2
Reader's Theater-2
Public Speaking - 2
Writers Workshop-2
Young Adult Literature - 2

GRADE 10

Common Core:

English Language and Literature - 5
Precalculus and Trigonometry - 6
Turkish Language and Literature - 5
Second Foreign Language - 4
Physics - 3
Chemistry - 3
Biology - 2
History - 2
Geography - 2
Philosophy - 2
Religion and Ethics - 22
Physical Education - 2
Guidance-1

► Electives (pick one):

English Drama - 1
Music - 1
Music Production - 1
Visual Arts - 1
Folk Dancing - 1

GRADE 11

Common Core:

Calculus and Geometry (or AP Calculus AB & Geometry) - 7
English Language and Literature - 5
Turkish Language and Literature - 5
History - 2
Philosophy - 2
Physical Education - 2
Religion and Ethics - 2
Guidance - 1

Electives (pick three):

Advanced Physics I - 4
Advanced Chemistry I - 4
Advanced Biology I - 4
AP Physics C: Mechanics - 4
AP Chemistry - 4
AP Statistics - 4
Fundamentals of Science - 4
Computer Science - 4
Honors World History - 4
Honors American Literature - 4
Turkish Literature - 4
Geography - 4
Geopolitics - 4
Economics - 4
Psychology - 4
French IV - 4
German IV - 4
Spanish IV - 4

► Electives (pick one):

English Drama - 2
Advanced Coding and Game Design - 2
Technical Drawing - 2
Art and Digital Design - 2
Visual Arts - 2
Art History - 2
Music - 2
Music and Technology- 2

GRADE 12

Common Core:

Discrete Mathematics with Analytical Geometry - 6
English Language and Literature - 5
Turkish Language and Literature - 5
History - 2
Religion and Ethics - 2
Physical Education - 2
Guidance - 1

► Electives (pick three):

Advanced Biology II - 4
Advanced Chemistry II - 4
Advanced Physics II - 4
AP Calculus BC - 4
AP Physics C: E&M - 4
AP Statistics - 4
Honors Contemporary World History - 4
Advanced Creative Writing
Film Production and Cinema Studies - 4
Computer Science and Bioinformatics - 4
Modern Physics - 4
Neuroscience - 4
Psychology - 4
Geography - 4
Economics - 4
Social Science - 4
French V - 4
German V - 4
Spanish V - 4
Maths for Turkish University - 4
Social Sciences for Turkish University - 4
Turkish for University - 4
Science for Turkish University - 4

► Electives (pick one):

English Drama - 2
Sculpture and Ceramics - 2
Visual Arts - 2
Art History - 2
Music - 2
Music and Technology - 2
3-D Modelling - 1
Design and Innovation Management - 2

CLUBS & ACTIVITIES

Üsküdar American Academy believes in the educational value and leadership opportunities gained when students are involved in co-curricular activities as well as community service. Students can choose between more than 85 offerings. Some of our main clubs and activities include:

American Football
Artificial Intelligence Club
Astrophysics and Astrobiology Club
Bioinformatics Club
Biomechanics Club
Bridge Club
Codefest
Computer Programming Club
Cryptography Club
Culture and Poetry Club

Debate Club
English/Turkish Drama
Environment Club
Ethics and Philosophy Club
Ethical Hacking Club
Entrepreneurship Club
European Youth Parliament
Finance Club
Genetics and Evolution Club
Girls in Tech

Health and Medicine Club
Hiking
History Club
Intelligent Minds
Maker Club
Memoranda (Yearbook)
Model United Nations (English/
Turkish/French/Spanish)
Musical
National English Honor Society

National Honor Society
Permaculture Club
Photography
Quantum Physics Club
Readers' Circle Club
Sailing Club
Science Club
Short Film Shooting Club
Social Entrepreneurship Club
Student Government

CALP (Community Action Learning Program)

Involvement in Community Action is valued at UAA. CALP, launched with this in mind, aims to ensure that students' social responsibility projects are regular and continuous. The program also intends to encourage and support the creation of new projects. Each student is expected to complete 60 hours of community service during their time at UAA.

ADVANCED PLACEMENT, HONORS AND ADVANCED COURSES

The following AP, Honors and Advanced courses were offered to the Class of 2024:

Grade 11: AP Calculus AB, AP Physics C: Mechanics, AP Chemistry, AP Statistics, Advanced Biology I, Advanced Chemistry I, Advanced Physics I, Honors American Literature, Honors World History

Grade 12: AP Calculus BC, AP Statistics, AP Physics C: E&M, Advanced Chemistry II, Advanced Biology II, Advanced Physics II, Honors World Literature, Honors Contemporary World History

All advanced courses offered at UAA are demanding and similar to the rigor of Advanced Placement courses.

Students, accustomed to academic rigor and self-discipline, often study for AP exams on their own for courses not offered at UAA. **In May 2023, 138 UAA students took a total of 323 AP exams.**

Grade	10	11	12	TOTAL*
# of students who took AP tests	62	53	19	134
Total number of AP exams taken	133	150	37	320
# of students who scored ≥ 3	10	26	2	38
# of students who scored ≥ 4	41	40	13	94
# of students who scored 5	64	72	19	155

*We also had some 9th Grade students take AP exams which are not shown in this table.

The International Baccalaureate Diploma Programme at UAA

Students in the IB Diploma Programme (IBDP) earn two Diplomas - one from the IB in January (in the first semester of Grade 12) and the National High School Diploma on graduation in June. IBDP students decide to pursue the IBDP during the 2nd Semester of 9th Grade and they start the IB curriculum in Grade 10.

The IBDP runs from January of Grade 10 to November of Grade 12. At the end of Grade 10, students make a final choice between Higher and Standard levels for those subjects offered at both levels. These levels are not reflected on their school transcripts but they are indicated on their IB transcripts. During their Grade 10 year the IBDP students also take additional science and second foreign language courses outside of the diploma program.

IBDP students must meet some additional requirements from the Ministry of Education (M.E.B.) in order to graduate with the National High School Diploma. IBDP students continue with these National Diploma requirements during Grade 12, as reflected on their UAA transcripts.

Subjects Offered to the Class of 2024

Students study 6 subjects, one from each group. The IB requires 3 or 4 subjects to be studied at Higher Level (HL), the rest at Standard Level (SL). Levels are selected at the start of Grade 11.

IB Group	Subjects offered
1 - Studies in Language and Literature	Turkish A: Literature (HL or SL)
2 - Studies in Language and Literature / Language Acquisition	English A: Language and Literature (HL or SL), English B (HL)
3 - Individuals and Societies	Turkey in the Twentieth Century (SL)
4 - Sciences	Physics (HL or SL), Biology (HL or SL)
5 - Mathematics	Mathematics: Analysis & Approaches (HL or SL)
6 - Electives	Chemistry (HL), Computer Science (HL), Economics (HL), Visual Arts (HL), Business Management (HL)

IBDP students must also complete the “DP core” consisting of Theory of Knowledge (TOK), the extended essay, and CAS (Creativity, Activity, Service).

GRADING

Üsküdar American Academy follows the passing and promotion system of the Turkish Ministry of Education. The passing grade is 50. A student’s Grade Point Average is calculated on the basis of the grade and the number of periods each class meets per week.

Grades are not weighted. AP, Honors, IB and Advanced courses are not given special weight. In this context, earning High Honors and Honors is commendable.

RANKING

Üsküdar American Academy does not rank. The program is demanding and it is difficult for students to achieve high marks.

TESTING and GRADE DISTRIBUTION CLASS OF 2024

Only students considering attending universities abroad typically take the SAT, ACT, AP tests and the TOEFL. IELTS is mandatory in Grade 11 for all students. The average IELTS score for the UAA Class of 2024 is 7.64.

ACT Profile

Section	Middle 50%	Mean
English	28-34	31
Math	31-35	34
Reading	24-33	29
Science Reasoning	28-34	32
Composite	28-34	32

SAT Profile

SAT/SAT Subject	Middle 50%	Mean
SAT Reading & Writing	630-720	670
SAT Mathematics	720-800	750
Total	1350-1490	1420

*SAT/ACT results given above reflect the average results in the last 3 years.

INTERNATIONAL UNIVERSITY MATRICULATION 2019-2023

100% of Uskudar American Academy graduates go on to four-year colleges and universities. Graduates from the classes of 2019-2023 have matriculated to the following institutions.

United States

Babson College (2)
Boston University (6)
Brown University (4)
California Institute of the Arts
Carnegie Mellon University (2)
Claremont McKenna College
Columbia University (5)
Cornell University (4)
Dartmouth College (4)
Davidson College
Drexel University (2)
Duke University (2)
George Mason University
The George Washington University
Georgetown University
Georgia Institute of Technology (2)
Hamilton College
Harvard University (3)
Johns Hopkins University (3)
Lafayette College
Lawrence University
Michigan State University
Mount Holyoke College
